Caledonia Recreation

2025 Season

Letter from the Director:

Welcome to summer rec!

My name is Johanna (Jo) Knickerbocker, and I'm so excited to introduce myself as the Director of the Caledonia Summer Recreation Program for 2025! I'm currently a student at Elmira College, in my undergraduate program for audiology and I've spent many years working with children in a variety of settings. Creating safe, fun, and meaningful experiences for kids is something I truly love. I can't wait to bring that passion to Cal Rec this summer! I have been a camp counselor for the past few summers and I am bringing some exciting new games to Cal Rec with me this summer, along with a great staff that I have been working with!

This program has such a strong tradition of community, friendship, and summer fun, and I'm honored to be part of it. We'll be keeping many of the classic Cal Rec traditions and games that your children know and love, but we're also introducing some new ones to keep things fresh and exciting. Our team has been working hard to plan an amazing summer that blends the best of old and new.

We've got a summer full of laughter, adventure, and memorable moments ahead! My goal is to make sure every child feels welcome, safe, and excited to come to Cal Rec each day. I also want families to feel informed and involved, so expect regular updates, schedules, and reminders throughout the season. To ensure the best summer the staff and I expect that all children will act safely, respectfully, and responsibly during their time at Caledonia Recreation.

I am Looking forward to a fantastic summer together!

Best regards,

Jo S Knickerbocker
